The Governing Body

Penrose School Improvement Plan Summary 2018-2019

Aim 1

- a. Further develop the EYFS curriculum, including the development of continuous provision.
- b. Embed structure and routine throughout Penrose school.
- c. Embed the Kaleidoscope Curriculum
- d. To respond fully to the outcomes of the data analysis.
- e. To work towards the Artsmark as recognition for the Creative Arts across the school.

Aim 3

- a. Develop skills and knowledge in therapeutic areas, including physio, OT, SALT and SI.
- b. Increase knowledge of Augmentative and Assistive technology
- c. To work in partnership with the local Teaching, Special and local Schools.
- d. To improve knowledge and skills around SEMH needs of our pupils.
- e. To further extend the school's Growth & Development system.
- f. Ensure there is provision in place to support staff wellbeing.

Believe you can

AIMS

1. Provide a rich, engaging curriculum which enables all learners to reach their full potential.
2. Build collaborative relationships within our local and wider community to benefit our schools and learners.
3. Value and promote highly skilled, enthusiastic and committed practitioners who strive for excellence in everything they do.
4. Work in partnership with families and external professionals to achieve aspirational outcomes for our learners.
5. Enable and empower all learners to be valued and active citizens within their local community.

Aim 4

- a. Develop holiday clubs which enable respite for families and high quality provision for pupils.
- b. To work strategically with Together Team, Team around the schools and Sedgemoor Learning Alliance to ensure improved outcomes for families.
- c. To develop the role of Parent Mentors to support new and existing families.
- d. To increase participation in parent courses, workshops & courses.

Aim 2

- a. To work closely with the Project team to design a new school which is fit for purpose and flexible to meet the changing needs of the school population.
- b. To build on the mainstream inclusion links to provide rich opportunities for our pupils to learn.
- c. To continue to support our mainstream partners through high quality outreach provision.
- d. To extend our offer within Sedgemoor to develop training and support to build further capacity in local mainstream schools.

Aim 5

- a. Through the implementation of new online curriculum, ensure pupils develop understanding of keeping safe online.
- b. Further develop nurture provision.
- c. To further develop improved Behaviour Management strategies, linked to therapeutic support.
- d. Increase pupil voice opportunities through the Junior Leadership team participation in working groups.
