

## **Primary PE Sport Funding** **2018/19**

Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school to be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

**It is expected that schools will see an improvement against the following 5 key indicators:**

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Schools must include the following:

- how much PE and sport premium funding you receives for this academic year
- a full breakdown of how you've spent or will spend the funding this year
- the effect of the premium on pupils' PE and sport participation and attainment
- how you will make sure these improvements are sustainable

**Vision:** ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

**Objective:** To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Academic Year: <b>2018/2019</b>	<b>Total fund allocated:</b> <b>£11,483</b>
